You're invited to volunteer in the Academic Decathlon set for Saturday, January 14, 2017 in San Jose, California. The South Bay Region Academic Decathlon competition is open to high schools from San Francisco, San Mateo, San Benito, Santa Clara, Santa Cruz and Monterey counties.

The Academic Decathlon is a competitive event modeled after the Olympics to stimulate academic achievement and honor "athletes of the mind." The competition provides students the opportunity to participate in an educational forum, which fosters a deep respect for knowledge, cooperation, and self-esteem.

Like the decathlon of the ancient Greeks, the Academic Decathlon consists of ten exacting and exciting events. But, while the Greek events were contests of physical strength, the Academic Decathlon is a contest of academic strength. The Academic Decathlon includes tests in *Art, Music, Literature, Mathematics, Economics, Science, and Social Science*. In addition, there are communication tests that include writing an essay, the delivery of a prepared and an impromptu speech, and an interview.

Encourage and support your local academic athletes for their hard work by volunteering your time at the Academic Decathlon.
