**Join the Team by clicking [HERE](#) and complete the friendly Online Volunteer Registration.**

---

**Its Academic Decathlon season and** volunteers are needed for the state championship scheduled for Saturday, March 25, 2017, in Sacramento, CA. Volunteer for 1 or 2 days!

Presented by Northrop Grumman, the California Academic Decathlon includes 68 high schools throughout California. We are expecting 600 high school students to compete in the state championship this year!

**We would be honored to include you!**

The Academic Decathlon is a competitive event modeled after the Olympics to stimulate academic achievement and honor "athletes of the mind." The competition provides high school students the opportunity to participate in an educational forum which fosters a deep respect for knowledge, cooperation and self-esteem.

Like the decathlon of the ancient Greeks, the Academic Decathlon consists of ten exacting and exciting events. But while the Greek events were contests of physical strength, the Academic Decathlon is a contest of academic strength. The Academic Decathlon includes tests in *Art, Music, Language and Literature, Mathematics, Economics, Science, and Social Science*. In addition, there are communication tests that include the writing of an essay, the delivery of a prepared and an impromptu speech, and an interview.

For the past 37 years, CAD has provided this country's most prestigious academic competition thanks to the support of our volunteers. Encourage and support your local academic decathletes for their hard work by volunteering one or two days of your time. For more information, call 707.646.7603 or email [info@academicdecathlon.org](mailto:info@academicdecathlon.org) if you have any questions regarding the event.

***Share this with friends you believe would be interested in volunteering for the California Academic Decathlon!***
