Since 1968, the Academic Decathlon has grown into the premier scholastic competition in America. The Academic Decathlon was created to provide opportunities for high school students to experience the challenges of rigorous team and individual competition. Designed to provide a forum for celebrating and acknowledging scholastic achievement and academic excellence in the context of a team environment, the Academic Decathlon provides high school students the opportunity to participate in an educational forum that fosters a deep respect for knowledge, cooperation, and self-esteem.
